

The Bob Beamon Long Jump Challenge

What Is The Bob Beamon Long Jump Challenge?

The long jump challenge is a fun event that is taking place at the Classic 10k where you get to jump and see how close you can get to Bob Beamon's former world record distance of 29 feet 2 and half inches.

Participants will get 2 long jump attempts to jump as far as they can.

They will also have to the opportunity to meet, speak and take pictures with Bob Beamon.

Who Is Bob Beamon?

Bob is the current Olympic record holder, and former world record holder in the long jump with a leap of 29 feet 2 1/2 inches (8.90 meters).

Bob was the first person to cross the 28 and 29 foot barrier, and he did it with one jump in the 1968 Mexico City Olympics.

Bob's world record stood for 22 years, 316 days. His Olympic record still stands 45 years later.
